MYSORE ~~DISTRICT~~,

Dated Mysore 14 Oct 1897

To

The Secretary to the Government of Mysore,
General and Revenue Departments.

SIR,

I have the honor to state that the people of Mirle in the Yeddatore taluk are using for drinking purposes the water of the tank closely but as the whole of the drainage at present into that tank, it should on sanitary grounds be diverted from the tank and the tank supplied with good drinking water from the Channaraja Channel. As the latter passes just above the tank the Executive Engineer has consented to feed the tank. The diversion of the drainage has to be undertaken by the District Fund Board and for this work, and also to fill up the manure pits in the bed of the tank, an estimate for rupees 992 is herewith submitted for sanction. The cost may be met from Rupees 2,8,248 Sanctioned in Government order No. [illegible]

dated 19th August 1897.

I have the honor to be.
